Hole	Par	Yards	Legend
1	3	123	An extremely challenging hole with water on the left and a huge sand trap on the right. The green is the real problem with severe undulation.
2	3	135	Similar to #12 at Augusta National, this hole has three sand traps around the green with a carry over water.
3	3	163	All carry over water, this hole is similar to #16 at Augusta. It features two levels on the green with a three-tier in the middle of the green. Three bunkers surround the green.
4	3	102	A fairly easy hole with an hourglass-shaped green. No water in sight.
5	3	135	Carries over a bunker to a rolling green with no flat spot on it. The green is surrounded by trees.
6	3	136	Nice hole. The tee is elevated 20 ft. above the green. The fairway is undulating and the green is guarded by a sand trap.
7	3	142	A heart-shaped green with a sand trap guarding the front. The green is exceedingly fast.
8	3	138	A three-level green protected by a St. Andrews sod face bunker. This hole is very unique. Has water on two sides.
